

**2016 RANCH RODEO**  
**Event Rules**  
**July 23, 2016**

**1. Steer Yoking**

- When Number is called, time starts, one member is to cut out the correct numbered steer and drive him across the line before he can be roped.
- Once roped, the rope must be put through the yoke to snub the steer.
- A rope will be provided, to secure the steer to the post, for this event. The steer must be tied around the neck and remain tied for 6 seconds after the flag is dropped and ropes are slack.
- 3 minute time limit

**2. Calf Branding**

- 2 Calves per team
- Brander must remain with the iron in the bucket until the calf is on his side.
- Calf must be on the ground when branded.
- Time is called when calf is branded on his side
- Time stops when 2<sup>nd</sup> calf is branded and brand is in the bucket.
- No loping – horse cannot break a trot
- 3 minute time limit

**3. Steer Roping and Tying**

- When number is called time starts.
- One member is to cut out the correct numbered steer and drive steer across line before he can be roped.
- Steer must have 3 legs tied and stay tied for 6 seconds after all ropes are slack.
- 3 minute time limit

**4. Steer loading**

- All members on the line when flag is dropped
- When number is called, time will start, one member is to cut out the correct numbered steer and drive him across the line before he can be roped.
- The steer is then roped and loaded into the trailer.
- **THE STEER MUST LOAD FIRST** and then one horse.
- All ropes must be removed from the steer.
- The **GATE MUST BE LATCHED** on the trailer and all members must be in the cab of the pickup.
- Time will stop when **ALL pickup doors are closed.**
- No rider may ride the horse into the trailer.
- There will be no steer abuse or equipment abuse.
- 3 minute time limit.

## **Ranch Rodeo Rules**

### **July 23, 2016**

- All contestants must wear Western Hats, Western Boots, jeans and a long sleeve shirt while in the arena
- Each team shall designate a Captain who is the only team member allowed to confer with the judges on disputes.
- Only 1 member allowed in the herd at a time.
- Three legal head catches permitted
- Any intentional tripping of cattle or undue roughness of stock will draw penalties at the judges' discretion. Cattle must be on their feet.
- Judges' decisions are final.
- Working positions and stock numbers for all events shall be the result of a draw.
- The 10 point system will be used. 10 points for 1<sup>st</sup>, 7 points for 2<sup>nd</sup>, 5 points for 3<sup>rd</sup>, 3 points for 4<sup>th</sup>, and 1 point for 5<sup>th</sup>. No times, no shows or no riders will receive 0 points.
- Final placing shall be the result of the total accumulation of points earned in all events.
- Prior to the completion, the Judge will select 1 tie-breaker event. The team that places highest in the tie-breaker event will be the winner.
- Teams are limited to 4 Contestants on each team. Each member of that team must be named on the entry form prior to the Ranch Rodeo competition.
- All teams are allowed up to 2 alternates from another team.
